### FILMMAKER'S PANELS AND DISCUSSIONS:

#### Filmmaker Panels and Discussions:

Come to a filmmaker panel and engage in interesting conversations relevant to the current film world. Hear filmmakers talk about the films they've made and their work in the industry. A forum for Q & A is provided during the later half of the panel.

Admission to Panel Discussions is free.

All panels will be held at the Durango Art Center 802 E. Second Ave.

#### Filmmaker Roundtable MONDAY, MARCH 8TH, 11:30 A.M.

Join Denise Linville for some lively and loose conversation with the Durango Film Festival Filmmakers. Become part of the creative process, during an intimate Panel discussion that will interest everyone from the seasoned filmmaker, to the curious film buff.

Find out the "inside scoop" on what happened behind the scenes of the films selected for the festival, and maybe get some inspiration for a film of your own

#### Film and video marketing and distribution THURSDAY, MARCH 11TH, 11:30 A.M.

Join Todd Elgin for a panel discussion with pioneer Internet digital distributor, Richard Mattson, and raconteur extraordinaire, documentaries George Gage.
